

# With Community Focus, we're sending love to care homes!

Thanks to An Post's Community Focus, our school can send mail to local care homes free! So we need your pictures, poems, letters and drawings to brighten up the lives of people living there. Let's use our imaginations to tell them they're loved and remembered.

**Ask your teacher how to take part**

Free postage  
to care homes

Send hope. Send joy. **Send love.**

**an  
post**

**For your world**
